In 2025, for children age 1 and older, there were 385,666 in out-of-home care and 130,998 with parental alcohol or drug abuse as a circumstance reported at removal.

*Note: Estimates based on **all children in out of home care at some point** during Fiscal Year;*

**Due to missing data for children without parental alcohol or drug risk factors, percentages were estimated using total number of entries for IA, IN, KS, and NC*
